Alfred Winner

Alfred D. Winner founded Winner Consulting LLC to build teams for education, leadership development, technical writing and Open Source Research. He launched Winner Consulting LLC after a global network operations and sales engineering career with Tier-1 Telecommunications providers. He was known for building teams and creative technical solutions. Today, Winner Consulting LLC consists of a handpicked team of subject matter experts recruited from multiple disciplines. As an instructor, Alfred Winner shares over 15 years of experience in IT consulting, global network operations, technical sales, public speaking, and multicultural team building. He is able to distill technical material for decision makers and students of all levels. Mr. Winner currently writes about security, continuity, IT Program Management, and scalable IT business development.
